Professional Profile

I am a Computer Science undergraduate dedicated to problem-solving, quality, and continuous improvement. My academic and project experience has strengthened my skills in programming, system design, and modern development practices. I am passionate about web development, data science, and server side development.

Education

BSc (Hons) Computer Science (Sep 2024 – Present): University of Westminster, UK
2nd Year (Ongoing): Object Oriented Programming, Database Systems, Software Development Group Project, Server Side Development, Algorithms, Client-Server Architecture.
1st Year (120 credits): Python, Mathematics for Computing, Trends in Computer Science, Java, Computer Systems Fundamentals, Web Design and Development.

G.C.E. Advanced Level (2023): 1C, 1S, 1S (Physical Science Stream): Southlands College, Galle

G.C.E. Ordinary Level (2020): 7A, 1B, 1C: Southlands College, Galle

Projects

Gamified Programming Learning Platform (Group): HTML, CSS, JavaScript, NodeJS, ReactJS and MongoDB (Oct 2025 – Ongoing)
A programming learning platform that uses narrative-driven and gamified programming.

Pizza Delight Website (Individual): HTML, CSS, JavaScript, and ReactJS (Sep 2025 – Ongoing)
A responsive and interactive pizza shop website.

EuroFlight Insight (Individual): Python (May 2025 – June 2025)
A python project that analyzes data visualizes air traffic departure data from European airports.

Zero Hunger (Group): HTML, CSS and JavaScript (Feb 2025 – March 2025)
A collaborative website project to promote awareness of the SDG.

Traffic Data Analysis (Individual): Python (Nov 2024 – Dec 2024)
Python project that performs data validation, processing, and analysis surveys.

Volunteering Experience

IEEE Women in Engineering Affinity Group of IIT:
Fusion by WSO2 (Organizing Committee) (Nov 2025 – Dec 2025)
Organized a one day workshop introducing students to the Site Reliability Engineering (SRE) role, including sessions by WSO2 representatives on internships and career insights, and an IIT intern sharing their experience.

AdaptIQ (Logistic and Industry Outreach Volunteer Member) (Aug 2025 – Oct 2025)
Coordinated logistics and reached out to industry partners and supporting event operations to ensure seamless engagement and participation.

SyncUp (Industry Outreach Volunteer Member) (June 2025 – Aug 2025)
Engaged with industry partners, facilitated sponsorship agreements, and coordinated all communications to contribute to the event's success.

IEEE Computer Society of IIT:
commit.dev (Industry Outreach Volunteer Member) (Aug 2025 – Sep 2025)
Collaborated with corporate partners, managed sponsorship outreach, and streamlined communication efforts to ensure a smooth and successful event.

IEEE Student Branch - Informatics Institute of Technology:
JamborIEEE Zone D (Volunteering member of IIT) (July 2025 – Nov 2025)
Assisted in coordinating event operations and designing for JamborIEEE 2025, collaborating with six IEEE Student Branches.

Certifications

ADVANCED TIER, CodeRally 6.0 Hackathon:
Participated as a member of Team Hacktics-CR138 in CodeRally 6.0 organized by the IEEE Computer Society Student Branch Chapter of IIT. Earned advancement to the ADVANCED TIER during selection week by showing good technical skills, teamwork, and problem-solving.

UoW - Problem-Solving International Hackathon 2025:
Participated as part of Team Code Busters with five members and successfully progressed through the first round.

SHErlock 2.0:
Participated as a member of Team Hopkins in SHErlock 2.0 organized by the IEEE Women in Engineering Affinity Group of IIT.

Extra Curicular Activities

- Industry Outreach Lead of the IEEE Women in Engineering Affinity Group of IIT (Selected Term 2026)
- Member of IEEE Student Branch of IIT (2024 - Present)
- Member of IEEE Computational Intelligence Society of IIT (2024 - Present)
- Member of IEEE Computer Society SBC of IIT (2024 - Present)
- Member of the Leo Club of IIT (2024 - Present)
- Member of the Rotaract Club of IIT (2024 - Present)
- Volunteer Member of IIT Sports Council (2025/26)
